V7 NATURAL KEYBOARD

The V7 Natural Keyboard features an elegant curve-key module in a streamline shape. It has been expertly developed to cradle your hands in a more natural position while typing. It is designed for people who prefer flat keyboards but, are looking for a more comfortable design. It lets your hands sit more naturally on the keyboard and fits easily into most keyboard trays.

21 one-touch hot keys guarantee quick access to music, multimedia and frequently used functions.
